

MICF - King of the Carpark (Alexandra Hudson)

Content warning: Occasional swearing including two “cunts” and “NDIS.”
Three second song snippet played in “king of the carpark”

Audience participation requested two, maybe three times, never mandatory.

“Cripple” said A LOT.

If you need to...You can arrive early to get comfy in the space, say hi to me, or never say a word. You can arrive late, leave, come back, move around. Make some noise. Bring a service dog.

You can laugh at this cripple (me). You can't be funnier than me (you can).

The show features: 2 triplet jokes, 1 criplet joke, 3 modes of transport, 2 car jokes, 1 canoeing incident.

Lots of well-meaning non-cripples and heaps of fun.
